

CAAC Auction Part 2 Beginning November 27, 2022

This is the second round of a two part auction. All items are sold as is, there are no returns

All bids must be submitted using the Google form shown on the next page.

One page of the catalog is shown below. Fill out the form as shown below.

When you hit submit, you will be prompted to enter another bid for another item if you wish.

If not, close your browser. Please note there is a minimum bid for most items.

TM4	10" Dobsonian Telescope	Sky-Watcher	Flextube 250P SynScan	Like New	\$ 1,425.00	10" aperature, f4.7, 1200mm FL - very clean
-----	-------------------------	-------------	-----------------------	----------	-------------	---

Includes white light solar filter... loose fitting

Minimum bid - \$400

This list will be updated daily during the auction, typically between 6 PM and 8 PM

Items will be made available for inspection by request only beginning December 4, 2022 at GHRO.

Requests must be e-mailed to jegaizer@gmail.com

The auction will close on Friday, December 9 at 6 PM. All bids must be received by then. Winners will be notified by e-mail and arrangements must be made to pick up the item. Payment must be provided at time of pickup.

Payments can be in cash, check, Zelle (preferred) or credit card. A 3% surcharge will be added for credit card transactions. Checks over \$250 will need to be in certified funds (cashiers check). Cash and check payments will be to either Jim Gaiser or Ken Steiner. Credit card payments must be arranged through Scott Goforth
